Type/Device (Code)	Serial Number	Delivery Date/Year of Constr.

Pumped Media			
Chem. Description	Commercial Name	Characteristics	pH-Value

In case any special safety measures have to be respected when handling the medium, these must be enclosed in the delivery and marked uniquely. According to German legislation (WHG, GefStoffV, GGVSE, GGBefG, etc.), the sender must take care for necessary safety measures according to the handling of hazardous goods. The carrier engaged as well as their employees respectively sub-contractors have to be instructed about the danger potential. The shipment has to be marked according to the regulations.

Zustand			Anmerkungen
Device was used (operation)?	Yes <input type="checkbox"/>	No <input type="checkbox"/>
